Hornsby Howell

The 1978-1979 AYANTEE Yearbook Staff proudly dedicates the 1978 AYANTEE to Mr. Hornsby Howell.

Hornsby Howell was born in Athens, Georgia in 1925. He graduated from Athens High School in 1946 and was a 1952 graduate of A&T.

Howell is known to the Aggie Family as Coach Hornsby Howell. Among the years as Head Coach, Howell shares with us his coaching background. From 1950-1953 Howell coached in Burlington Public Schools. He became Head Coach at A&T in 1968 where he maintained the position until 1976. During his coaching career from 1968-1976 at A&T, he compiled a coaching record of 55 wins, 33 losses, and 5 ties. In 1968 he was selected CIAA Coach of the Year, selected by the Greensboro Daily News as College Coach of the Year, National Black College Coach of the Year, and Atlanta, Georgia 100% Roundclub Coach of the Year. In 1974, he shared MEAC co-Coach of the Year with Coach Willie Jefferies of South Carolina State College.

Howell, also an Educator, began teaching at A&T in 1953 until 1978. When asked about his views on Education, he solemnly stated, "The student comes first and the athlete comes second." Howell now holds the duties and responsibilities of Assistant Athletic Director.

LEWIS C. DOWDY  
*Chancellor*

October 25, 1978

Greetings:

On behalf of the A&T State University faculty, staff, and Board of Trustees, I congratulate the Aggie student body for another outstanding academic year.

By your dedication and cooperative spirit, you have helped A&T to reach new heights of achievements and progress.

I have watched this year with special pride as you, the nation's foremost student body, have exhibited excellence in the classroom, in campus leadership positions, in athletics, and other extracurricular activities, and in determination to set the pace, rather than follow the crowd.

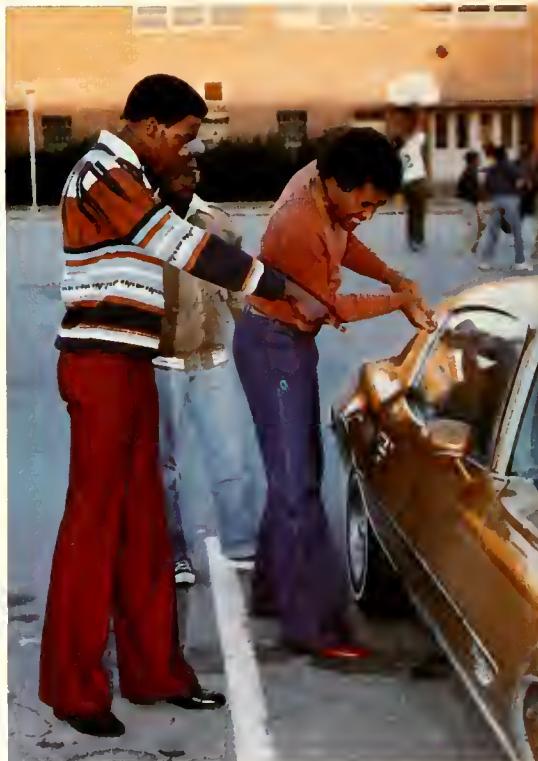

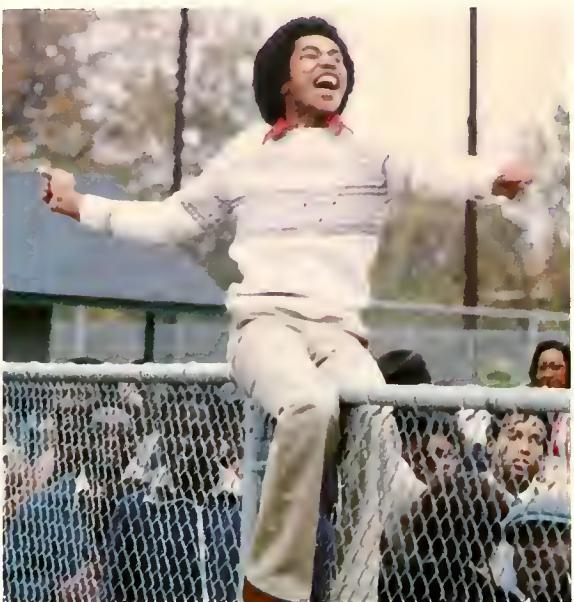

This is the real meaning of the Aggie spirit which has long guided all who enter A&T. These are crucial times, and we must continue our pursuit of excellence if we are to be faithful to our glorious heritage.

The faculty, administrative staff, and the Board of Trustees are committed to making our University one of the most outstanding in the nation. We shall need your continuing goodwill and support in all of our endeavors, so that we can improve the quality of life for all of our brothers and sisters.

*Lewis C. Dowdy*  
Yours truly,  
Lewis C. Dowdy  
Chancellor

## LEWIS C. DOWDY

"I believe in the superb quality of Aggie Essence because the decadence of the university is caused by the individual," stated Lewis C. Dowdy, the chancellor here at A&T.

"You should acquire the initiative and motivation like a diehard. Don't booster like some, always behind and won't start. He said the superb quality is also the insatiable appetite for learning, to seek out and find, to increase our capacity of communication.

Dowdy also felt that the attempt to alleviate the Black schools should not dampen our spirit. "We want more to provide a conducive atmosphere to better our school. We want to enrich our programs and continue to find new solutions to better society," he explained.

"Since I've been a part of the Aggie Family, I've felt honored to be an "Aggie". No matter where my life's rivers may flow, I'll always have a home with the Aggies. My experiences here have been extremely rewarding and will always be regarded with great appreciation. I am proud to have been a part of a tradition which exemplifies a quality of the highest esteem.

Aggies, you will always rule supreme in my heart because you are the essence of North Carolina Agricultural and Technical State University. Thank you for your support in electing me to reign as your Queen — MISS A&T. "AGGIE ESSENCE is truly a Superior Quality."

# A TIME FOR LEISURE...

*It is the beautiful realization of a vision shared commonly by the late founder Elder Watson Diggs, John Milton Lee, Byron K. Armstrong, Guy L. Grant, Ezra D. Alexander, Henry T. Asber, Marcus P. Blakemore, Paul Caine, Edward G. Irvin and George W. Edmunds. It was the vision of these astute men which enabled them in the school year 1910-11, more specifically the night of Jan. 5, 1911, on the campus of Indiana University at Bloomington, Indiana, to sow the seed of a fraternal tree bearing the fruits of Phi Nu Pi and the name of Kappa Alpha Psi Fraternity, Inc.*

## COACH JIM McKINLEY

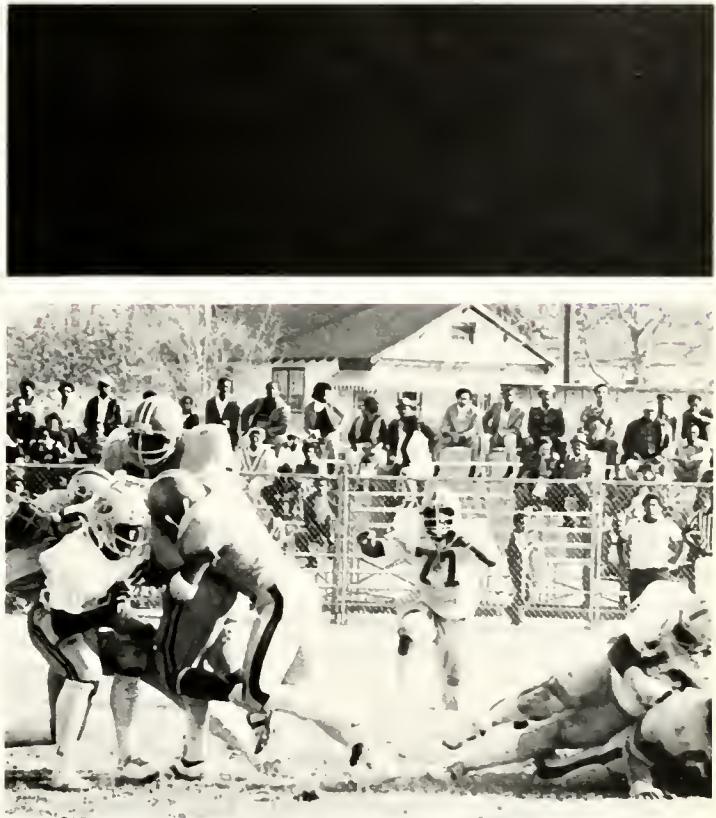

McKinley, a graduate of Western Michigan University, entered his second year as Head Coach at North Carolina A&T State University. Prior Coaching experiences include stints at Eastern Michigan and the head coaching job at Central State where he led the Ohio team to a berth in the coveted Orange Blossom Classic in Miami, Florida against the Rattlers of Florida A&M.

After a rocky start last season, McKinley guided the Aggies to seven victories in the team's last eight starts and a second place finish in the MEAC. This 1978 season, McKinley hosted six wins and five losses finishing second in the MEAC. He also received a berth in the 1978 Gold Bowl Classic where the Aggies fell to the Panthers of Virginia Union. The Aggies finished their season six wins and six losses.

## COACH EUGENE LITTLES "GENE"

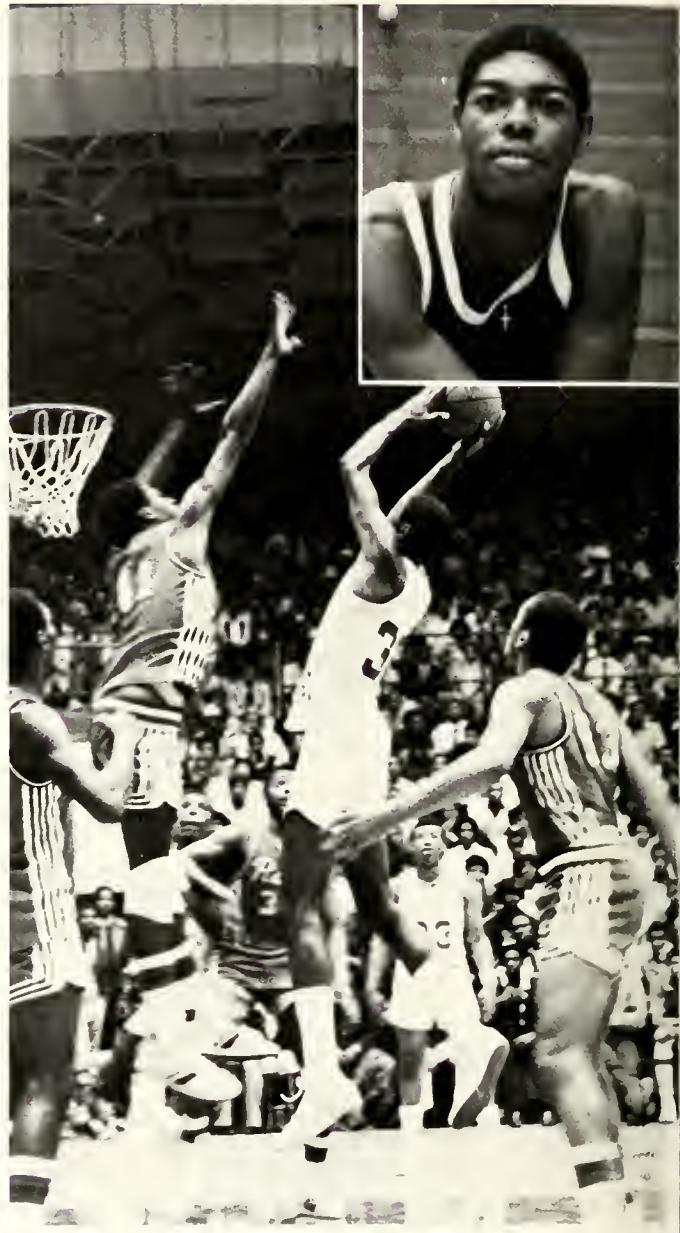

Coach Gene Littles is now serving his second year as head coach at North Carolina A&T. Last year Littles guided the Aggies to a 20-8 record and the Mid-Eastern Athletic Conference regular season and tournament championships.

A 1969 graduate and All-American Player at High Point College, Littles was drafted in the fourth round by both the New York Knicks and the Carolina Cougars in the college draft. He accepted the choice of Carolina Cougars.

Presently, Littles and the team are the MEAC regular season champions for 1979. He is now looking forward to the MEAC Tournament Championship and a possible bid to a post-season tournament.

# 1979 MEAC TOURNAMENT CHAMPIONS

M

North Carolina A&T won its sixth MEAC tournament title with a 48-46 decision over Howard University. In the eight year history of the MEAC, A&T Aggies have lost only two MEAC tournaments. A&T participated in the 1975 National Invitational Tournament and awaits the bid for another berth in the NIT or NCAA playoffs.

Coach Gene Littles received the 1979 Coach of the Year Award, which many fans believed he was denied the title last year. The Player of the Year Award went to Joe Brawner. Brawner is a 6 ft guard from Washington, D.C.

The Aggies, who won the regular season Conference Championship having an 11-1 Conference record, received a first round bye for tournament action. A&T ran away with the Bears of Morgan State by the score of 77-62.

On Saturday night, the Aggies played a delay game to insure the victory over Howard University by score of 48-46. The loss to the Aggies became the fourth loss in a tournament championship game for Howard, which they have not won an MEAC tournament. Howard was the only conference team to defeat the Aggies during regular season by score of 66-65 a last second shot.

James "The Bird" Sparrow closed out the season with an all time A&T scoring high of 1,987 points. He hopes to break 2,000 if the Aggies receive a post-season bid for the NCAA or NIT.

## IS IT LOVE?

Infatuation is infatuated by another.

Love is friendship — one day at a time.

Infatuation is marked by a feeling of insecurity, excited and eager, but not genuinely happy. There are doubts, unanswered questions, little bits and pieces of beloved that you would just as soon not examine or even dream.

Love is the acceptance of another's self, without judgment, without criticism, without preface, without condition. You want him to be your way.

Infatuation says, "We're right now, we're right now, we're losing him."

Love says, "Be patient. Don't worry about the past. Look to the future with confidence."

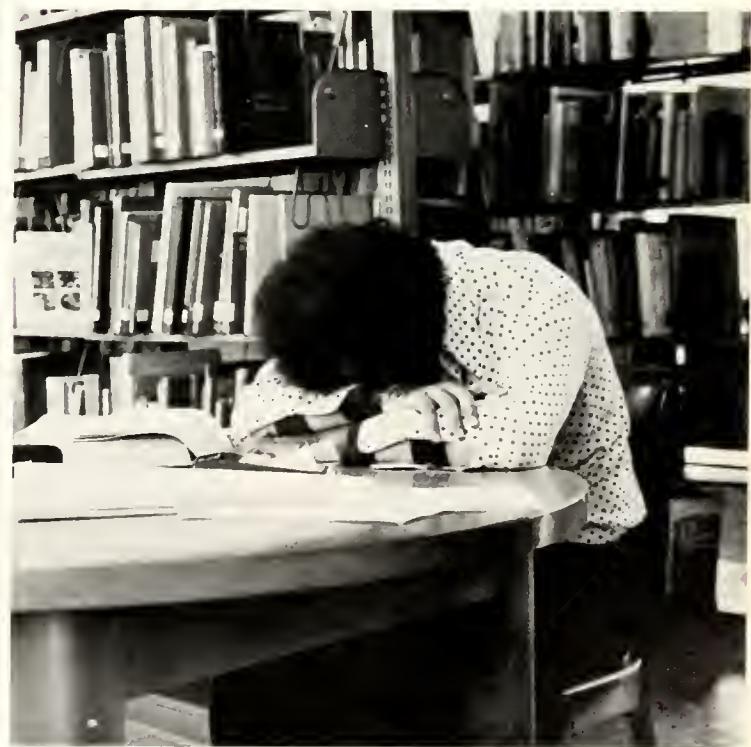

Infatuation has an element of sexual attraction. If you are honest, you will admit it is difficult to be intimate and have company unless you are sure it will end in intimacy. True, a close imitation of friendship. You must be friends before you can be lovers.

Infatuation lacks confidence. When he leaves, you wonder if he's cheating. Sometimes you even check.

Love means trust. You are calm, secure and unthreatened. He feels that trust and it makes him even more trustworthy.

Infatuation might lead you to believe you'll regret later, but love never will.

Love lifts you up. It makes you stand tall. Love lifts you up. It makes you a better person than you ever thought possible.

LOVE? INFATUATION? . . . LOVE don't love NOBODY!

NELSON LEONARD PHARR, JR. 1958-78

Nelson Leonard Pharr, Jr., the son of Nelson Leonard Pharr, Sr. and Carolyn Jamison Pharr was born in Salisbury, N.C., September 20, 1958. He departed this life in Greensboro, N.C. at his residence of an apparent heart attack. He attended the Public Schools of Salisbury and was a graduate of Mendenhall Jr. High School and Page Senior High School, both of Greensboro, N.C. At the time of his death he was a third year student at A & T State University. He was a member of the Groove Phi Groove Social Fellowship Inc.

He was kind, friendly, a free hearted type of person, helping whomever he could in any way that he could. He was smart, industrious, a devoted son, grandson who gave freely and physical strength for his mother, father and grandparents.

### *The Inner Being*

Beyond the reachless bounds of man  
The uttermost self dwells unseen unheard.  
Burrowed into a state of safety and calm  
Waiting patiently to be found.  
Through the incompressible warps of never  
A glimpse, perchance, of the remarkable ever.  
Far great than the isles of eternity  
The self stands bold, untamed, running free  
Leaping over the sill notions of beings  
Daring to out do the wildest of dreams.  
Afraid, so afraid, under a pretext of boldness,  
Fumbling, almost falling yet still on its feet.  
Tracing the paths of forerunners now gone,  
Trespassing into the forbidden zone.  
Not caring who gets hurt or scarred  
Laughing heastially at the once free, now barred.  
Damn the thing, Damn the thing!!!  
Many these sounds throughout the heavens ring.  
Damn the thing, Damn the thing!!!  
But what is it, the inner most being?  
Never to be heard, seen, touched for feeling?  
Damn the thing? How? Yet why?  
The whole bloody thing will make one cry.

Dear Eddie,

Our Father in Heaven has chosen you to walk with Him,  
To enjoy the warmth of his care, where there is a place for all who  
will follow,  
And one day we'll all be there.

Your physical presence in our lives will surely be missed,  
But your spiritual presence will always exist.  
Happy memories of you will always abound,  
Your name Eddie, will be an endearing sound.  
Please look down upon us, not as those who wept,  
But see us as children, still to be kept.

In living we experience the sorrows of death,  
But in dying we experience the joy of it.  
Eddie, you have found this joy and eternal peace will surely follow.

At the end of life's tunnel there is an eternal light,  
Dear Eddie, take up this light, and show us who love you, the way  
back home.

STUDENT GOVERNMENT  
ASSOCIATION

To the Senior Class of 1979:

We, the graduating seniors of North Carolina Agricultural and Technical State University approach graduation day with optimistic enthusiasm, looking forward to a future which holds for us limitless potentialities for success. We are proud of A&T's remarkable heritage, the past achievements of its graduates in numerous professions and we confidently hope to carry on the proud traditions for which A&T State University is known. Our pride in past alumni achievements and optimism for the future will not blind us to the problems that will be ours to solve.

As leaders of tomorrow, we will be confronted with energy shortages, inflation and the judicial emasculation of affirmative action programs which benefit minorities. We should be cautious about the Bakke case implications and the conservative mood of the nation. We must not take our opportunities for granted. Moreover, we should not be disillusioned by the multitude of problems that plague our communities and the nation. Instead, we can be committed to utilizing our talents in restructuring the conditions surrounding us.

We, the Senior Class of 1979 must be committed spiritually, politically and academically to furthering the cause of predominately Black institutions in North Carolina and throughout this nation. Let us not forget from whence we have come. We have a political obligation to A&T and other Black universities to insure that these institutions have a right to exist for it was from these universities that such personalities as Dr. Ronald McNair and the Rev. Jesse Jackson were produced. We have an academic obligation to exhibit qualities of academic excellence in our many endeavors. We must not be content until we have acquired a more advanced education.

We have control of our destinies, so it is every individual's duty to reevaluate his or her life and govern himself accordingly. I hope that you have been satisfied with the services rendered. It has been a privilege and an honor to serve you as President of the Senior Class this year. I thank you and I wish all of you peace, success and happiness in the name of our Lord and Saviour, Jesus Christ.

STUDENT GOVERNMENT

Dear Fellow Aggies:

It has been quite an educative and pleasurable experience working for and with all of you this past school year. Before I go any further let me give you a thought that I would like for you to keep in mind while you read the rest of this message. That thought is that you, the students of North Carolina A&T State University are the backbone of the institution.

If you are familiar with anatomy then you will know that if the backbone is bent, weak or broken that the rest of the body is thrown out of proportion and cannot or will not function properly. This same analogy can be applied to this university. If you (the backbone) are apathetic (bent), lazy (weak), ununified (broken), then the administration, faculty and staff (rest of the body) cannot or will not function properly. If the backbone is somehow straightened up and made stronger then the rest of the body will fall back in line, and you once again have a strong healthy body that is functioning for the best interest of all concerned.

Briefly, the way to strengthen the backbone is with rest, proper exercise, a proper diet and caution. If you are still keeping in mind that you are the backbone of the university, then you will know that in order to strengthen the university's back you need to demand respect and demand that someone listens (proper exercise), you need to digest things that will make you aware of what's going on around you (a proper diet), you should never take anything for granted (caution), and lastly you should just stop and take some time out from the day to day hustle and bustle, from some of the dancing and TV to just reevaluate and analyze what you have been doing with your time (rest).

In closing I hope that what I have said to you, was of some value or that it at least caused you to stop and think. Finally, I will say that change must start from the bottom and work its way upward and at the same time, it must start from within and work outward.

For a brighter tomorrow--  
LOVE, PEACE & TOGETHERNESS

# EDITOR'S EPILOGUE

The academic year is almost finished. Months of long hours and preparations are over. The Staff and I have worked unselfishly of our time to have before you an element of pictorial and historical representations to reflect the year of 1978-1979.

There are errors, we know, more than one may realize but none of us are perfect. If your name has been omitted, misspelled, misused, or unintentionally abused, we apologize. Complaints, we get our share but assistance we never get.

I express my gratefulness toward Miss Dorothy Bailey for being able to give her knowledge and assistance and for being so understanding. Her loyalty as well as moral support will always be respected. Most of all, I thank my Staff for showing tireless dedication toward the production of this yearbook.

I hope this yearbook has some type of symbolic bearing on each of you and I would also like to thank the administration, faculty and students for helping us overcome the difficulties that we have encountered.

Marcus Dukes  
Editor in Chief, 78-79

WE MAY NEVER PASS THIS WAY AGAIN."
